Dear Friends,

Now that Lehigh Valley has moved into the “Green Zone” most of us are desperate to get out and about and return to our normal routines as quickly as possible. One of these things is to return to regular services of worship in our Sanctuary. We all miss being in our sanctuary and we all miss seeing each other.

On Wednesday, June 24, the Worship Committee met to discuss re-opening the sanctuary. Given that areas that opened into a “Green” too quickly experienced a resurgence of COVID-19 cases, it was the recommendation of the Worship Committee to the Consistory that we take a “wait and see” approach before opening the Sanctuary for worship. The Consistory agreed with this recommendation and so the sanctuary will remain closed throughout the month of July and we will re-visit this issue in early August.

We know that this news will be disappointing to many of you. We all miss each other and our community worship. We are aware of the fact that some churches are starting to open. But when we assessed the many considerations and circumstances that uniquely pertained to our congregation and our commitment to the health of the congregation, we concluded this to be the wisest course of action.

We will continue to monitor what is happening in the Lehigh Valley. We will continue to offer weekly online services and consider new ways to remain connected. May God’s daily blessings be upon you for excellent physical and spiritual health!

Blessings,

Mr. Kevin Long, Consistory President
