

Concert to Honor and Help Our Veterans

Date and Time: Sunday October 31st at 4 pm.

**Where: Saint John's United Church of Christ
538 E Thomas Street, Coopersburg PA 18036**

Free Will Offering to be taken to benefit our Veterans and Tails of Valor. Refreshments will be on sale before and after concert.

(We ask that everyone wear a mask, regardless of vaccination status.)

Jason Moon, is nationally-known for being a versatile and dynamic performer who is both a seasoned troubadour and a dedicated advocate for our veterans. In his quarter-century touring the country, Jason Moon has entertained and inspired music lovers of all ages, in thousands of shows on hundreds of stages — from Summerfest's Harley-Davidson Main Stage to major national conferences to intimate house concerts. And Jason Moon is both well-respected and well-loved for the ongoing work he does with Warrior Songs, the non-profit he founded that helps military veterans find healing through music and art

All of our dogs, who are named in honor of a fallen soldier, are rescued and trained with Trainers and Volunteers for a 16 to 20 month period learning more than 100 exposures of everyday living and more than 40 commands. Our program is designed to help two lives, (the rescued dog and the Veteran) while inspiring countless others and works on private funding and donations as we are a 501c3 organization. Our canines and services are of no cost to our Veterans.
