

EASTERTIDE | WEDNESDAY

seeking:
*Who are you
looking for?*

**What is
bringing you
energy in
your life
right now?**

prayer

Holy God, I could write a novel about the joys in my life—the things that jumpstart my heart, the things that make me feel most alive. What a gift! Tie a string from the center of my soul to those sources of life-giving energy, that I might never lose my way. Amen.
