

HOLY WEEK | PALM / PASSION SUNDAY

**seeking:**

*Where are  
you headed?*

**Palm Sunday  
could easily be  
compared to  
a parade or a  
social march.  
What do you,  
or would you,  
march for?**

**prayer**

God of the parade, when I think about you on Palm Sunday I can't help but wonder: would I have been there? Would I have been in the crowd? Would I have been waving palm branches? Would I have seen you? I'll never know, but what I do know is that I can decide what parades and marches I will show up for today. So when I gather with my neighbors, let me catch a glimpse of you. Lead my feet to the march. Amen.
