

HOLY WEEK | TUESDAY

seeking:

*Where are
you headed?*

**Where are
you going?
What are
you working
toward?**

prayer

God of the road, you know that our life is a journey—we take one step at a time. As the season of Lent comes to an end, I ask you: where am I headed from here? Is there work you need me to do? Are there relationships you need me to foster? Am I being called? Am I being sent? As Lent winds down, turn my heart to the days that follow so that I may continue journeying with you. Amen.
