

WEEK OF ASH WEDNESDAY | SATURDAY

**seeking:**  
*Is this the fast  
that I choose?*

**In what  
ways  
can you  
grow  
closer  
to God?**

**prayer**

Ever-present God, I know that you are with me always, and yet, it is easy for me to move through my days without paying much attention. As I enter into this Lenten season, highlight ways for me to grow closer to you so that by Easter, I might know you even more clearly. With hope in my heart, I pray. Amen.
